Missy's Mission

"Helping Students/Families in need all year round"

Each year the Bethalto School District, district employees and local supporters provide assistance to families and students in need during the holiday season. While that program has been a huge success, the need is also great throughout the year.

Through Missy's Mission our team is excited to expand that support to our students and families by providing assistance all year round. We need your help! As needs arise within our District, we will reach out to members of our support team for assistance. Listed below are items that might be requested by one of our district families:

- Food
- Hygiene items
- Coat
- Shoes
- Clothing
- Socks/Underwear
- School Supplies
- Adopt A Family for Christmas

If you would like to be part of our mission, please email me at mmarshall@bethalto.org. I will add your name to our email group and reach out to you as needs arise. We can accept gift card donations and monetary donations as well.

Thank you for joining the Missy's Mission team. It's our goal to help change the lives of families in need in our community.

Sincerely,

Missy Marshall
TMS Secretary/Adopt-A-Family Coordinator
