## Photo/Video/Field Trip/Network/Student Handbook (6-12)

Grade Level: \_\_\_\_\_

**1. Using a Photograph or Videotape of a Student Picture of Unnamed Students.** Students may occasionally appear in photographs and videotapes taken by school staff members, other student or other individuals authorized by the Building Principal. The school may use these pictures, without identifying the student, in various publications, including the school yearbook, school newspaper, and school website. No consent or notice is needed or will be given before the school uses pictures of unnamed students taken while they are at school or a school related activity.

**Pictures of Named Students.** Many times, however, the school will want to identify a student in a school picture. School officials want to acknowledge those students who participate in a school activity or deserve special recognition. In order for the school to publish a picture with a student identified by name, one of the student's parents or guardians must sign a consent form.

**Pictures of student taken by Non-School Agencies.** While the school limits access to school buildings by outside photographer, it has no control over news media or other entities that may publish a picture of a named or unnamed student. School staff members will not, however, identify a student for an outside photographer.

**By signing this form, I grant consent to the Bethalto School District to identify a picture of my child/ward, by full name and/or the school he or she attends, in any school sponsored material, publication, videotape, or website.**

### **2. Bus/Walking Level Field Trip Permission**

This will allow your child to attend local and district wide bus & walking field trips. We will always send specific information regarding destination, time schedule, lunch needs, etc., to you prior to each trip. When each trip comes around, you will still have the option of not sending your child, if you so desire.

**By signing this form, my Child has my permission to participate in all school approved field trips and walks for the school year.**

---

### **3. Bethalto School District Video/Film Parental Permission Form**

Throughout the school year, films or film clips may be viewed to enhance the curriculum in your child's classes. It is the policy of Bethalto School District that parental permission be requested before a student is allowed to view a G/PG rated film (or film with other rating, at the teacher's discretion). The information below outlines district film guidelines: **6th - 12th grade G, PG, PG-13 rated films/videos**

**Note:** When his/her parent has excused a student from viewing a film/video in class, the student shall suffer no academic penalty, if and when questions concerning the film are asked during the class discussion, on a class assignment or on a test or exam. When requested, alternate accommodations will be made for the student who is excused from viewing the film/video.

**By signing this form, my Child has my permission to view films and videos based on the guidelines listed above.**
